WHAT'S AT STAKE FOR INDIANA?

- IU has already booked a spot in this year's Big Ten Tournament and is now playing for seeding.
- After Thursday's games, IU is likely to slot into the first day of action at the Fishers Event Center.
- One win over the final two games would ensure back-to-back winning seasons for the first time since 1999-2000.
- The Hoosiers are 32nd in the latest RPI with three wins over current top-25 programs.

FIRST SERVE

TALLYING WINS: Since the 2022 campaign (four-plus years), Indiana has racked up **91** wins under head coach **Steve Aird**. That includes at least **15** wins in each full season during that stretch. IU can reach that mark for the **5th-straight** year in 2026 with one more win in the regular season.

WINNING BIG: On the same note, **1** more win in the regular season would ensure the Hoosiers back-to-back winning seasons for the first time in over 20 years. IU has had just **8** seasons above .500 since the turn of the century but hasn't done it in back-to-back campaigns since **1999-2000**.

STEADY AS IT COMES: Fifth-year middle blocker **Kiki Granberry** reached **100** blocks on the season with a **9-block** performance against Minnesota on Wednesday. She's averaging **1.33** blocks per set this year, good for **2nd** in the Big Ten. Granberry is one of **3** conference players to hit the century mark as of November 12th.

BIG BLOCKS: On the same note, it's been a brilliant blocking season for the Hoosiers this year. IU leads the conference with **2.78** blocks per set (**161.0**) total in Big Ten matches only this year. IU has had **12** blocks in **4** of the last **5** contests and **7** times total on the year.

DO IT ALL: Second-year outside hitter **Jaidyn Jager** has been a well-rounded six-rotation player for the Hoosiers this year. On top of leading the team with **313** kills (**3.56** per set), she also has **204** digs, **47** blocks and **24** aces. She is top **10** in the Big Ten in points per set (**4.18**)

FIRING IN FRONT: Second-year middle blocker **Victoria Gray** came to play in IU's tight loss at Minnesota. She had **11** kills and **0** attacking errors while hitting at **.647** clip. It's the **4th** time in her career that she's had double-digit kills and the **2nd** time (at Purdue, 2025) in a Big Ten road match.

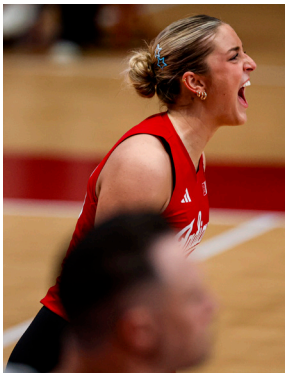

SENIOR SENDOFF: IU will honor **4** players at Tuesday's game for their contributions to the program. Fourth-year middle blocker **Ava Vickers**, fourth-year setter **Luca Fickell** and fifth-year middle blocker **Kiki Granberry** will all go through Senior Day fesitivies. Fifth-year opposite hitter **Avry Tatum** will be recognized as well.

BEAT THE BEST: Head coach **Steve Aird** can set a program record with his **13th** ranked victory with a win over Purdue on Tuesday. He's guided the Hoosiers to **7** victories against teams in the AVCA poll since 2025, the most in a two-year span in program history.

#23 INDIANA 3, NORTHWESTERN 0

Oct. 26, 2025 | Wilkinson Hall | Bloomington, Ind.

• IU picked up a sweep of Northwestern to improve to 16-4 in 2025. Outside hitter Candela Alonso-Corcelles had 16 kills in just three sets as the Hoosiers hit .361 in the victory.

• Setter Teodora Kričković had 37 assists and provided 11 digs in the win. As a team, IU had just nine attacking errors and hit above .310 in all three sets.

#11 PURDUE 3, #15 INDIANA 1

Oct. 26, 2025 | Wilkinson Hall | Bloomington, Ind.

• On the final day of the regular season, IU dropped a gritty four-set battle in West Lafayette. Both teams hit under .200 while defense was on full display. Opposite hitter Avry Tatum mustered 14 kills on a .379 hitting percentage.

A WIN WOULD

NORTHWESTERN:

- Secure back-to-back winning seasons for first time since 1999-2000
- Get IU to eight conference wins for fifth-straight season

PURDUE:

- Give Steve Aird the most ranked wins by a coach in program history
- Be the first win in the Monon Spike Game since 2023

BOTH:

- Give IU 16 wins to end the regular season
- Most likely secure a first round bye in the Big Ten Tournament

SERIES VS. OPPONENTS

NORTHWESTERN: The Hoosiers have opened up a lead in the all-time series after winning three of the last four matches. IU opened up Big Ten play with a tough road victory at Northwestern last year, sparking a 14-win conference campaign. IU has won three-straight matches in Bloomington

PURDUE: Head coach Dave Shondell has made Purdue one of the toughest programs in the country in nearly 25 years as the head coach. He's dominated IU over the years. The Hoosiers broke a long streak in 2023 but have since lost five-straight matches. There's been just one sweep in the all-time series in the last nine contests.

IU will try and win the Monon Spike back for the first time since 2023. Outside hitter Candela Alonso-Corcelles had 12 kills in that victory.

2025 IN REVIEW

BEST SEASON IN PROGRAM HISTORY

• The Hoosiers went 25-8 last year on their way to just the second regional appearance in program history. IU broke single-season records for wins (25) and Big Ten wins (14) in the NCAA era and hosted the first two rounds of the NCAA Tournament for the second time ever.

ALL-AMERICAN HOOSIERS

• For the first time ever, IU had two different players named AVCA All-Americans in the same season. Opposite hitter Avry Tatum and setter Teodora Kričković had their names etched into history at Wilkinson Hall after brilliant 2025 campaigns.

PLAYING THE KIDS

• A deep and talented freshman class was one of the big reasons behind a great campaign last year. Outside hitter Jaidyn Jager, setter Teodora Kričković, libero Audrey Jackson and middle blocker Victoria Gray were all 30-match starters during their debut seasons.

BIG WINS

• IU won four matches against AVCA top-25 opponents last year with three of them coming on the road. That included the first ever victory on the road at Penn State and back-to-back wins in Los Angeles against USC and UCLA. IU also knocked off Colorado in the NCAA Tournament.

WILKINSON MAGIC

• It was another big year of winning games inside Wilkinson Hall in Bloomington. The Hoosiers went 12-2 on their main home court with the only defeats coming at the hands of No. 1 Nebraska and No. 20 Minnesota. IU was 7-2 in Bloomington during Big Ten play.

QUICK HITTERS - BROADCAST NOTES

INDIANA NOTES

• IU has won 49-consecutive matches when hitting .300 or better. The last loss came at Purdue during Steve Aird's first year in 2018.

• The Hoosiers can secure back-to-back winning seasons with a win against Northwestern and/or Purdue next week. A win over the Boilermakers would be the fourth ranked win of the year.

TEAM NOTES

• The Hoosiers have had double-digit blocks in nine of 15 Big Ten games this season, including seven of the last nine matches overall. IU has had at least 12 blocks seven times this year.

PLAYER NOTES

• Second-year outside hitter **Jaidyn Jager** has had at least nine kills in every Big Ten match this year. In her career, she's had fewer than nine kills on just six occasions in conference play.

• Second-year outside hitter **Izzy Clark** has had back-to-back double-digit kill performances as she finds her footing in IU's offense. She led the Hoosiers with 17 kills at Minnesota.

• Second-year libero **Audrey Jackson** has had four double-digit matches in her past six contests. That includes two matches with a career high 16 digs. Jackson followed that up with 14 at Minnesota on Wednesday.

• In two of her last five matches, fifth-year middle blocker **Kiki Granberry** has had nine blocks in a match. She's up to 100 total blocks on the season for the Hoosiers.

*Second-year defensive specialist **Hannah Leftridge** at Wilkinson Hall*

ROSTER NOTES

#1 GROWING UP IN THE GYM: First-year outside hitter **Sara Snowbarger** is one of four IU players that were coached by their mom during their high school careers. Sara grew up in the gym where her mom, Jen, was Wooster's all-time winningest coach. Sara finished top-10 in Ohio state history in career kills. Jen was a star player at Kent State back in the 1990's.

#2 DESTINATION BLOOMINGTON: No player was born to play for IU more than Bloomington North product and second-year defensive specialist **Avery Freeman**. She's the first local product to sign with the Hoosiers since All-American Ashley Benson (2007-10). Freeman spent time at volleyball camps at IU dating back to her early years. Both of her parents attended Bloomington North as well and stayed in town to raise their family.

#3 SEEING DOUBLE: First-year defensive specialist **Ellie Hepler** is extremely close with her brother, A.J. The reason being - they are twins. The two both grew up playing sports and will each head off to college to continue their careers. Ellie will play volleyball for IU while A.J. plays baseball at Grace College.

#5 ACTION JACKSON: Second-year utility player **Audrey Jackson** was never supposed to end up at Indiana. She was originially committed to play beach volleyball at Texas but decommitted towards the end of the 2024 calendar year. She took her official visit at the end of the season and ended up playing every match of her freshman campaign in 2025.

#6 CALIFORNIA CLARK: Third-year outside hitter **Izzy Clark** joins a recent pipeline of Hoosiers joining the program from California. She was a first team All-WCC selection in both seasons at San Diego after being the 2024 WCC Freshman of the Year. She played her high school ball at powerhouse Mater Dei and was also briefly a club teammate of Sade Ilawole during her younger days.

#7 NEXT UP: Second-year defensive specialist **Hannah Leftridge** is the youngest of three daughters in her family. Hannah became an aunt in July when her sister, Amy, gave birth to her first child. Much like her sister, Hannah also intends to go into nursing after her volleyball career is over.

#8 FICKELL + FOOTBALL: Fourth-year setter **Luca Fickell** is the lone daughter - and one of six kids - of Wisconsin head football coach Luke Fickell. The four eldest kids have all gone on to play college sports. This fall, she will play volleyball at IU while her twin brothers - Ashton and Aydon - join their father in the Wisconsin football program.

#11 SWISS ARMY KNIFE: Fourth-year middle blocker **Ava Vickers** is more than just a volleyball player. She spends her free time doing modeling and fashion gigs while also cutting her teeth in the art of making clothes out of items that she thrifted. In addition to those hobbies, she studies interior design and is well set up for her future after graduating from IU.

#12 INTERNATIONAL FLARE: Second-year setter **Teodora Kričković** was sought after by head coach Steve Aird for the majority of the spring of 2025. Aird hasn't been shy to add international pieces to his teams at Indiana. In fact, she's the seventh *true* international player to play for IU. She has played at the U19, U21 and U22 levels for Serbia and has goals to set the olympic team in the future.

#13 SHE'S BACK: Fifth-year opposite hitter **Avry Tatum** rejoined the team in August with a pursuit of getting eligiblity to use her last season to play with the Hoosiers at a big position of need. The 2025 All-American brings over 1,100 kills to the table during her collegiate career so far.

#14 SEGAL'S SPRING: Third-year defensive specialist **Emma Segal** is believed to be one of the few division one athletes to ever come out of the town of Brookston, Indiana. Located a couple miles from Purdue's campus, Segal played at 1A high school Frontier for four years before coming to play with the Hoosiers.

#15 HEART OVER HEIGHT: Standing at 5-3, third-year setter **Sade Ilawole** has defied all odds to play division one volleyball as a setter. She started a match against No. 8 Wisconsin in 2024 and is believed to be the shortest setter to ever start a game for the Hoosiers. She is also a two-time team captain and represented IU at Big Ten Media Day in 2026.

#18 BUSINESS AS USUAL: No one has taken advantage of the academic opportunities at IU more than third-year opposite hitter **Avery Daum**. She is studying in the prestigious Kelley School of Business and has plans to enter the business world after her graduation in Bloomington. She spent some of the summer interning in Atlanta.

#22 WELCOME HOME: Third-year outside hitter **Spyridoula Komini** joined the program after playing professionally in Greece over the last few seasons. The six-rotation outside hitter has been on the Greek junior national team at the U20 and U18 level.

#23 DUAL THREAT: Second-year middle blocker **Victoria Gray** is one of the best dual-sport athletes to come out of the state of Michigan in recent memory. She was a finalist for both Miss Volleyball and Miss Basketball in the state and scored over 1,000 points and provided over 1,000 kills in her prep career.

#24 LA COSTA CONNECTION: Second-year outside hitter **Jaidyn Jager** played just two seasons of high school volleyball before focusing solely on club. In her freshman season of high school (2021), she was coached by associate head coach **Rachel Morris** at La Costa Canyon High School in California.

#27 SISTERLY LOVE: Third-year middle blocker **Ella Boersema** is the oldest of five girls in the Boersema family. She has the second most siblings (4) on the team and is close to every member of her family. The Boersema crew can often be found at Wilkinson Hall, cheering on the eldest sister. Ella, and her sister Hannah, both got engaged this summer.

#77 GOING GRANBERRY: Fifth-year middle blocker **Kiki Granberry** grew up all over the country when her father, Michael, spent time in the military. She even spent time growing up in Germany before spending her high school days in the state of Florida.

CHARTING THE AIRD ERA

• Head coach **Steve Aird** was named the head coach of Indiana Volleyball on Dec. 27, 2017 following four seasons rebuilding the Maryland program. Before that, he was prominently known as elite recruiter for legendary head coach Russ Rose at Penn State.

• Aird inherited an IU team that went 1-19 in the Big Ten in 2017 and finished 13 out of 14 programs in the conference. The Hoosiers were swept 14 times in league play the year before he arrived.

• When Aird arrived in Bloomington, the transfer portal wasn't what it was today. The roster stayed mostly in tact from the season before. He led the Hoosiers to a winning record (16-15) and finished on the outside of the NCAA tournament bubble.

• Since taking over the program, the world of college athletics has completely changed. His first full recruiting class was scheduled to arrive for the 2020 season - a season that never fully happened.

College Athletics Changes *(since Aird's first year in 2018)*

Fall 2020	Fall volleyball season is canceled
2020	Aird's first recruiting class, ranked 15th, arrives on campus

• Following a tough 2021 calendar year - where most Big Ten schools had fifth-year seniors, Aird made adjustments to his staff. He hired Rachel Morris and Spencer McLachlin as assistant coaches. He added Kevin Hodge in 2023 to replace McLachlin. Matt Kearns was added in 2024.

• In 2022, the fruits of Aird's work began to take shape. Following a European tour with a roster full of his players, the Hoosiers began to turn into a competitive force in the Big Ten.

• From 2022-2025, IU went 77-51 overall and 40-15 at Wilkinson Hall. It won 42 Big Ten games during that stretch, the most in a four-year span in program history. With top-15 recruiting classes in 2026 and 2027, Aird has the program on the right track.

• Aird signed a contract extension through the 2031 season after guiding IU to a 25-win campaign in 2025 and a trip to the NCAA regional semifinals. The Hoosiers had two All-Amercians and four All-Big Ten selections during his eighth season at the helm of the program.

• Prior to Aird arriving as head coach, the program was in a bad spot. The Hoosiers played off campus and had very little student support. Below is a list of things that Aird has flipped during his time in Bloomington.

IMPORTANT WINS IN THE AIRD ERA

Indiana has picked up some fantastic wins over the last eight seasons. All of them have had an impact in getting the program back to the NCAA Tournament during the 2025 season.

Below, we take a look back at some of the best wins of the Steve Aird era. Most of them have come in the last four seasons as the program has taken a jump to the next level.

W, 3-0: vs. #24 Colorado - Dec. 5, 2025

- In front of a fantastic crowd at Wilkinson Hall, IU swept fifth-seeded Colorado to advance to the Sweet 16 for the second time in program history. Senior outside hitter Candela Alonso-Corcelles had 16 kills in the win.

W, 3-0: at #19 Penn State - Nov. 2, 2025

- For the first time in program history, the Hoosiers beat Penn State on the road in State College. For Steve Aird, it was the first time beating his alma mater as a head coach. IU was ranked No. 18 after the weekend.

W, 3-1: vs. #15 Purdue - Oct. 11, 2023

- IU broke a long losing streak to in-state foe rival with a 3-1 victory on the Big Ten Network in front of a sold-out Wilkinson Hall. It was Aird's first win over the Boilermakers as IU head coach and kickstarted a 21-win season.

W, 3-2: at #5 Ohio State - Nov. 20, 2022

- At the time, IU picked up its biggest road win in program history. The Hoosiers beat No. 5 Ohio State in Columbus behind a fantastic performance from setter Camryn Haworth. The victory helped recruiting momentum that summer in Bloomington.

W, 3-2: at #15 Kentucky - Sept. 14, 2019

- The Hoosiers went down to Lexington to pick up the first ranked win of his IU career. Breana Edwards had 20 kills in the victory while the team picked up 17 blocks. It was the statement win that Aird needed.

PRO PLAYERS

On top of success in Bloomington, **13** different players have graduated from IU and gone on to play at least one season of professional volleyball. That list includes former outside hitter Candela Alonso-Corcelles, IU's first ever draft pick in Major League Volleyball.

AIRD ERA ITEMS

• A deliberate use of the transfer portal and strong prep recruiting has been the key to getting IU's program back among the national ranks. Head coach Steve Aird is about the development and relationships in the program but has used the transfer portal to fill big areas of need during each season.

• More often than not, those transfers end up developing to a whole new level during their time in Bloomington. That includes the likes of All-Big Ten talents Avry Tatum and Kaley Rammelsberg.

Impact Transfers *(since 2021)*

Avry Tatum (OPP)	Cincinnati

Madi Sell (MB)	Missouri
- Stats at Indiana: 52 matches, 207 kills, .315 hitting percentage, 168 blocks	

• While recruiting the elite prospects can make life easier, head coach Steve Aird has also been able to identify and develop talented players that weren't high in the prep rankings. The balance between boths sides in the recruiting game has helped him turn things around in Bloomington.

• In some cases, Aird has even helped that student athlete to go on and play professional volleyball in the United States or overseas. That caliber of player continues to help raise the bar in the gym.

• The Hoosiers' 11 wins at home in the 2024 regular season were tied for second most in a single season program history. Their 10 wins in the 2023 and 2025 regular season were tied for sixth in program history.

SEASON NOTES AND TRENDS

• Head coach Steve Aird has never been shy about playing other programs with NCAA Tournament aspirations early in the season. Even while scheduling in the non-conference can be quite difficult, he has made an effort to get very good programs on the docket.

• Over the last five years, IU has beaten at least one SEC or ACC program before conference play in each year. That doesn't even include an NCAA Tournament win over Big 12 foe Colorado in 2025.

TEAM TRENDS AND NOTES

• In Indiana's back-and-forth victory over No. 12 Texas A&M (Sept. 2, 2026), third-year opposite hitter **Ella Boersema** was absolutely fantastic. She had **21** kills while hitting **.471**, picking a part the defending national champions.

• That effort was nearly matched as second-year outside hitter **Jaidyn Jager** went off for **20** kills at a **.485** clip to beat NC State at the end of the non-conference slate (Sept. 19, 2026)

• Since the 25-point rally-scoring era began in 2008, those are just the **5th** and **6th** occasions that IU players have had **20+** kills on **40** or fewer swings while hitting **.470** or above. It's the third time in the last two years that it has happened.

Hitting .470+ with 20+ Kills, Fewer than 40 Swings *(since 2008)*

.484 (20-5-31)	Ashley Benson vs. New Orleans, 2009
.471 (21-5-34)	Ella Boersema vs. #12 Texas A&M, 2026

• When second-year setter **Teodora Kričković** gets offensive at the net, good things tend to happen for the Hoosiers. IU is **5-0** in the past two years when she has at least **5** kills in a match. That includes a career-high **7** kills she had in the victory over Texas A&M in September.

With exceptional depth on the pins and returning producition in the middle, IU can expect its offense to run fast and quite affective over the course of the season. Below is how it has stacked up over the last few years.

OFFENSE UNDER MORRIS

• Over the past five seasons, associate head coach **Rachel Morris** has been tasked with running the offense. She helped institute a fast tempo with former setter Camryn Haworth and that continued with new setter Teodora Kričković last season.

• IU has seen an uptick in offensive performances since she arrived in 2022. The Hoosiers broke a single-season program record for hitting percentage (**.281**) in 2025. While it's not all credited to Morris, she's helped reshape how the offense looks with a number of versatile pieces.

TEAM TRENDS AND NOTES

• Before November of 2025, IU had never played in a game in program history where both teams were ranked inside the top 20 of the AVCA poll. Since that point, it's been nothing but an upward trend for the Hoosiers.

• There have been **10** matches, seven on the road, that are all top-20 affairs in that stretch. The Hoosiers were finally on the winning side of one of those with a sweep of Washington on October 18th.

** NCAA regional semifinal*

• A much deeper roster this season has allowed head coach Steve Aird some flexibility when building out his lineup. It also has allowed the team to bridge some gaps through injuries this year. Seven different players have produced at least **10** kills in a match this season

• Winning on the road in the Big Ten is very hard. Doing so in a sweep is even tougher. Since head coach Steve Aird took over in 2018, the Hoosiers have swept **9** conference opponents on the road.

CHASING HISTORY

Jaidyn Jager became one of the most important pieces to the 2025 team as a freshman. Now as a sophomore, the California native is ready to become the main offensive force.

She has quickly racked up kills, digs and points in her career and will have a chance at some impressive marks during her time in an IU uniform.

BIG TIME NUMBERS

• Jager was one of the most productive all-around players in the country last year. In fact, she was the only freshman in the NCAA to put up an absolutely ridiculous stat line. Her impact as a six-rotation player wasn't reflected in postseason awards but helped IU to immense success.

• 380 kills, 200 digs, 50 blocks and 30 aces in 2025

Jaidyn Jager	Indiana
- 383 kills, 249 digs, 57 blocks, 31 aces, 54.5 good pass percentage	

RETURNING BIG TEN RANKS

• Even as a freshman, Jager was extremely productive from start to finish. She started all 33 matches from the jump as a six-rotation player. She will be among the top returning offensive leaders in the Big Ten this season.

PRODUCTIVE CORE

• The Hoosiers played a massive cohort of freshmen last season. That group, the highest-ranked recruiting class in program history, produced at a high level. IU advanced to the NCAA Tournament for the first time since 2010. Now, as sophomores, that core group is back to continue its winning ways.

Indiana was the only school in the NCAA in 2025 with:

• A separate freshman with 1,000 assists, 380 kills and 100 blocks

Jaidyn Jager	383 kills
Teodora Kričković	1,212 assists
Victoria Gray	106 blocks

The Hoosiers also had:

• Four freshmen with more than 15 aces and four with more than 100 digs

DOUBLE THE FUN

• Jager has been good from both ends of the court in her career. She's a naturally gifted offensive player but also has the ability to make important defensive plays to keep rallies alive. In her career, she's up to **11** double-doubles during her time in Bloomington.

CLOSING THE CYCLE

IU has gone on a great run of form since the 2022 season. With each passing year, the Hoosiers continue to stack more overall wins and more Big Ten wins. They will look to close out another four-year cycle for senior athletes **Luca Fickell** and **Ava Vickers**.

NEVER HAVE WE EVER

There's a chance for continued history during the 2026 campaign. Last year's team set a standard that IU will hope it can continue to meet going forward.

THE LAST TIME

After a highly successful 2025 season, the Hoosiers have a chance to accomplish the following items with repeat success in 2026.

The Last Time Indiana - *(NCAA era)*

Made back-to-back NCAA Tournaments:	*1998, 1999*
Had back-to-back winning seasons:	*1999, 2000*
Had multiple ranked wins in back-to-back seasons:	*1998, 1999*

WHAT'S AT STAKE IN 2026

• Success inside the Big Ten has been a big catalyst in the rise of IU's program over the past five years. After breaking a single-season program record for league wins (**14**) in 2025, IU will be looking to follow that up with another great run through the conference slate.

Potential Season Outcomes

For a 17-game Big Ten slate:

Wins

12

- the third season in program history with at least 12 Big Ten wins
- make Ava Vickers and Luca Fickell:
- the winningest Big Ten duo in school history (45)

10

- back-to-back 10-win Big Ten seasons - first time in program history
- make Ava Vickers and Luca Fickell:
- the winningest Big Ten duo in school history (43)

RANKED WINS

• Part of building IU's program out of the bottom of the Big Ten has been beating ranked opponents. Head coach Steve Aird helped put four on the board in 2025 and has added two more during the 2026 campaign.

BORDER BATTLES

• Over the past few years, IU has caught up to some of its neighboring Big Ten programs. The Hoosiers have recruited at a high level and have started to beat programs like Michigan, Illinois and Ohio State.

• Additionally, IU has gotten recruits from those states to stay home. IU's 2025 and 2026 classes were both nationally recognized by multiple outlets.

HEAVY HITTERS

• IU's offense has picked up at a high rate over the last two years and that has been a major catalyst in the team success. The ability to hit over **.300** has been a great indicator in whether the Hoosiers will win a match. This is how it has stacked up over the last two years compared to head coach Steve Aird's beginning seven season

WILKINSON HALL

Wilkinson Hall Dedication: January 16, 2019
*Wilkinson Hall Capacity: 3,000**

An exciting chapter began for Indiana University Athletics in the 2018-19 school year as IU unveiled a new, state-of-the-art, 3,000-seat facility - Wilkinson Hall.

Wilkinson Hall is a multi-use training and performance center that is the new home venue for the Indiana Volleyball and Wrestling programs. One of the earliest volleyball specific arenas in the country, athletes and coaches have unlimited access to practice time and resources few schools in the country can provide.

Consistent with the university's master plan, the facility brings these two programs' home competitions back onto the IU Athletics campus from their former University Gymnasium home at the intersection of 10th Street and the 45/46 bypass.

In addition, Wilkinson Hall will provide the entire Indiana University Athletic Department and its programs with a new top-flight facility for year-round training, and will serve as a venue to host department and university events.

Wilkinson Hall is named after IU alumnus Jay Wilkinson and his family, who have an incredible history of support for IU Athletics and its student-athletes.

Indiana Volleyball played its first official matches in Wilkinson Hall during the 2019 campaign and has played there every year since. In 2019, the opening year of Wilkinson Hall, the Hoosiers were 15th in the NCAA in attendance, the highest the team has ever been in program history.

Following a condensed COVID-19 season in 2020-21, fan support for IU volleyball has continued to grow in the years following the pandemic.

The Hoosiers averaged over 1,300+ fans per season in 2022 and 2023. Matches against Purdue and Nebraska in 2023 were completely sold-out. The match with the Boilermakers, broadcasted on Big Ten Network, saw 2,725 fans in attendance.

IU has rebroken the Wilkinson Hall attendnace program record in each of the past three seasons in matches against Purdue. The top four biggest crowds in the gym's history have come in the past three campaigns.

The Hoosiers have beaten two ranked opponents since opening the doors to Wilkinson Hall in 2019. In 2025, IU hosted the first and second rounds of the NCAA Tournament on its home floor. Nearly 2,000 fans watched IU dominate Colorado to advance to the regional semifinals for the first time since 2010.

***Wilkinson Hall** sold-out vs. #2 Nebraska in 2023*

***IU students** celebrate a win over #15 Purdue in 2023.*

ASSOCIATE COACH • RACHEL MORRIS

5th Season • Oregon ('10)

Rachel Morris completed her fourth season with the Indiana Volleyball program in 2025. She has served as the associate head coach and recruiting coordinator since July 1, 2023.

Programmed with a desire to develop student-athletes on and off the court, Morris helped implement daily meditation, conversations about mental health and group-bonding activities upon arrival to Bloomington in 2022. Morris was also named to Volleyball Magazine's Under 40 College Coaching Hotshots list in 2023.

Morris, handed the keys to the team's offensive gameplan when she arrived at IU, has turned IU into one of the most effective offensives in the country. The Hoosiers finished with a top-20 national hitting percentage in 2025 (.281) - a mark that smashed a single-season program record.

In the four seasons that Morris has served as a coach in Bloomington, IU has won 77 games overall and 42 matches in the Big Ten. Both of those marks are program records in a four-year span. She has coached two All-American setters - Camryn Haworth (2023) and Teodora Kričković (2025 - over the last three years.

In 2025, Morris helped IU run the fastest pace in the entire country. All six players that played in a primary attacking role achieved career highs in hitting percentage. Middle blocker Victoria Gray (.378) finished second in a single season in program history in hitting efficiency.

Morris and assistant coach Kevin Hodge are engaged to be married. The couple lives in Bloomington with her dog, Kona.

ASSISTANT COACH • KEVIN HODGE

4th Season • Penn State

Kevin Hodge completed his third season as an assistant coach in Bloomington in 2025. A longtime friend, teammate and co-worker of head coach Steve Aird, he was named an assistant coach for Indiana volleyball on July 6, 2023.

Hodge spends time working with the team's defensive gameplan and in-game serving strategy. Over his three seasons in Bloomington, the Hoosiers have racked up 618 aces including 122 from All-American Camryn Haworth. The Fishers, Indiana native went on to break the program's all-time aces record (213) as a senior in 2024.

The Hoosiers were extremely efficient from the end line in 2025. Five different players had at least 20 aces, led by freshman Teodora Kričković with 38. IU finished with 192 aces in 2025 and only 233 service errors. On five occasions, IU had double-digit aces in a contest.

IU welcomed in a completely new cohort of back row players in 2025. Three freshmen helped anchor the libero jersey including Audrey Jackson. She became the team's primary ball handler in the libero jersey and racked up 193 digs while passing above a 2.10 on the season. Freshman outside hitter Jaidyn Jager led the team with 249 digs and passed at an elite level. Avery Freeman (119 digs) and Hannah Leftridge (67) each spent time in the jersey as well.

In the three seasons that Hodge has been at IU, it has racked up 61 wins overall and 33 conference wins. The Hoosiers have gone 33-9 (.786) at Wilkinson Hall during that span, winning 10+ home matches in three-straight years for the first time since 1998-2000.

ASSISTANT COACH • MATT KEARNS

3rd Season • Xavier ('17)

Matt Kearns was named as the third assistant coach for the Indiana volleyball program on July 29, 2024. He joins the staff after spending time with three different division one programs, including two in the Midwest. Kearns completed his second season with IU in 2025.

Kearns, known for his work in volleyball analytics and game preparation, comes to Bloomington after spending the 2023 season as the head coach at Louisiana-Monroe. Before his time with the Warhawks, Kearns spent six years at Northern Kentucky as a graduate assistant (2017-18) and an assistant coach (2019-22).

In his second year with the program, IU developed an impressive trio of middle blockers. Freshman middle blocker Victoria Gray became the fourth first-year player in program history to record 100 blocks in a season. Sophomore Ella Boersema was the Big Ten's leading blocker (1.40 per set) before sustaining a season-ending injury in October.

Kearns remained in charge of IU's scouting report for a record-setting 2025 season. The Hoosiers picked up 16 sweeps as part of a single-season record 25 wins. IU advanced to the regional semifinals for the first time since 2010 and had four All-Big Ten selections and two AVCA All-Americans.

The first season for Kearns in Bloomington in 2024 saw the Hoosiers pick up 15 wins overall and end the season winning three of four matches in the Big Ten. Kearns worked closely with the team's scouting report and helped IU's players with in-game blocking and defensive adjustments.
