**THE OLD OAKEN BUCKET**

The symbol of football supremacy between Indiana and Purdue, the Old Oaken Bucket, has become one of the nation's most recognized and famed trophies in its 95 years of spirited rivalry.

Both institutions had been meeting on the football field since 1891 when the Indiana and Purdue Alumni Clubs of Chicago held a joint meeting in 1925 to "discuss the possibility of undertaking a worthy joint enterprise on behalf of the two schools." Dr. Clarence Jones proposed the creation of a traditional football trophy to go to the winner of the annual clash. Dr. Jones and Russel Gray of Purdue were appointed to recommend a suitable trophy by J. Frank Lindsey, (Indiana, class of 1913), who was elected chairman of the joint committee.

At a later meeting they recommended "an old oaken bucket as the most typical Hoosier form of trophy, that the bucket should be taken from some well in Indiana, and that a chain to be made of bronze block "I" and "P" letters should be provided for the bucket. The school winning the traditional football game each year should have possession of the 'Old Oaken Bucket' until the next game and should attach the block letter representing the winning school to the bail with the score engraved on the latter link."

Fritz Ernst of Purdue and Wiley J. Huddle of Indiana were given the task of finding the bucket. They located it on the old Bruner Farm between Kent and Hanover in southern Indiana. The region had been settled by the Bruner family in the 1840s,

which makes today's bucket around 180 years of age.

Excellent repair work put the bucket, moss and mold-covered with some staves showing signs of decay, into good shape for its initial appearance, which ended in a 0-0 tie in 1925.

## IU UNVEILS GEORGE TALIAFERRO STATUE IN GEORGE TALIAFERRO PLAZA

Former Indiana University President Michael A. McRobbie presided over the dedication of the George Taliaferro Plaza on Friday, Nov. 1, 2019, unveiling a bronze statue of Taliaferro, one of the most important and influential individuals in the history of Indiana University and IU Athletics.

McRobbie led the dedication ceremony, which took place on the newly-dedicated plaza located on the ground level of Memorial Stadium outside of the North End Zone facility. Other speakers at the event included IU Board of Trustee member Quinn Buckner, former Indiana University Vice President and Director of Intercollegiate Athletics Fred Glass, head football coach Tom Allen, Senior Associate Athletic Director Anthony Thompson and fifth-year senior linebacker Reakwon Jones.

“Throughout his life, not only did George Taliaferro excel as an athlete, but he also overcame the real-world struggles of racism and prejudice, of segregation and oppression,” McRobbie said. “And in the process, he demonstrated courage, determination and perseverance, and earned a special place in the annals of our state and its flagship public university.”

“In George Taliaferro Plaza and its centerpiece statue, every visitor to Indiana Memorial Stadium will be reminded of the enormous contributions George made to IU and to this community, as an outstanding athlete, as a champion of racial equality, as a dedicated educator and administrator, as a tireless community activist, and as a friend and mentor to many.”

“It is fitting that during our Bicentennial year, we are dedicating this plaza and statue in honor of one of the most important figures in the history not only of Indiana University Athletics, but of Indiana University as a whole,” said Glass. “I am particularly grateful to President McRobbie and Trustee Buckner for their support in permanently and prominently recognizing this Hoosier pioneer at the entryway of IU Football where he will be seen every day by IU players, coaches, and recruits.”

Taliaferro, who passed away Oct. 8, 2018, at the age of 91, was a legendary Indiana University football player during the 1940s who shattered racial barriers on campus and in the sport. In doing so, he left an indelible mark on both.

The Gary, Ind., native was a three-time All-American at IU who led the Hoosiers’ unbeaten 1945 Big Ten Championship team in rushing. He’d go on to lead the program in rushing twice and passing once, and following the 1948 season he became the first African-American drafted by an NFL team when the Chicago Bears selected him in the 13th round.

Taliaferro would eventually spend seven years in the NFL, earning Pro Bowl honors three times. He totaled 2,255 rushing yards, 1,300 receiving yards, 1,633 passing yards, and accounted for 37 touchdowns while playing for franchises in New York, Dallas, Baltimore, and Philadelphia. He also became the only player in league history to play seven positions – running back, quarterback, wide receiver, cornerback, punter, punt returner, and kickoff returner.

While those feats make him one of the most accomplished players in IU and Big Ten history, his contributions extended well beyond the collegiate and professional playing fields.

During the 1940s, Taliaferro and IU President Herman B Wells played a pivotal role in desegregating the IU campus and the City of Bloomington. During the era, Taliaferro was not allowed to eat at many local restaurants. When Wells found out that Taliaferro had to return home between classes because no nearby restaurants would serve him, Wells arranged for the two to have lunch at a nearby campus establishment. Wells and Taliaferro had lunch, and IU and the Bloomington community took a giant step toward desegregation.

Taliaferro’s contributions did not end at the conclusion of his playing career. A 1951 IU graduate who later earned a Master’s Degree from Howard University, Taliaferro returned to IU in 1972 and served as special assistant to IU President John Ryan. In that role and other roles on campus during the next two decades, he was a valuable and outspoken voice on social justice issues.

Taliaferro’s lifetime of accomplishments are chronicled on the statue, which is the work of Brian Hanlon, owner of Hanlon Studios. Hanlon has produced more than 300 works in both public and private collections, including the five granite monuments commemorating IU Basketball’s five national championships.

## TERRY TALLEN INDIANA FOOTBALL COMPLEX OPENS

The Terry Tallen Indiana Football Complex officially opened on Aug. 13, 2019. Former Indiana University Vice President and Director of Intercollegiate Athletics Fred Glass announced a major gift by alumnus and former IU Football captain Terry Tallen to the Indiana University Bicentennial Campaign for Athletics on April 20, 2018. This \$2 million commitment helped provide funding for the renovation of the football team area in Memorial Stadium. In recognition of his gift, the area is permanently named the Terry Tallen Indiana Football Complex.

The Terry Tallen Indiana Football Complex fills 25,000+ square feet underneath the west stands of Memorial Stadium. The complex includes the Trent and Julie Green Locker Room (named in 2003), coaches' locker room, team lounge, recruiting area, equipment room and Dr. John M. Miller Training Room (named in 1994).

Tallen graduated from the Indiana University Kelley School of Business in 1982, and while earning his degree, was also a three-year letterman. Terry was elected team co-captain in 1979 and 1980. The 1979 team was nationally ranked and won the Holiday Bowl, the Hoosiers first bowl victory. Terry was named the United Press International's Defensive Player of the Week following Indiana's Homecoming victory over Wisconsin in 1980.

In 2001, Terry founded Tallen Capital Partners, LLC, and remains the company's Chairman and CEO. Tallen Capital Partners, LLC is a privately held, vertically integrated retail and mixed-use real estate investment and development organization with offices in San Diego and San Francisco. Prior to founding Tallen Capital Partners and becoming an entrepreneur, Terry enjoyed a corporate career as a senior executive with some of our country's largest public as well as private companies. He is considered one of the leading shopping center investors and developers in the Western U.S.

**2021 LEADER**

Indiana University's football program receives some of the most extensive media coverage in the country. Learfield IMG College holds the exclusive rights as IU's official radio outlet.

**DON FISCHER**

Don Fischer is in his 49th year as the "Radio Voice" of Indiana University football and basketball games. The past 35 years, Fischer has worked as an independent contractor, and is currently serving the IU Radio Network, owned by Learfield IMG College. In

addition to broadcasting the games, Fischer hosts the weekly coaches talk shows for both football and basketball.

Fischer also offers stations a weekly talk show about IU football and basketball that airs in several markets around the state during the school year.

During his years of work in Indiana, Fischer has been named the state's Sportscaster of the Year 31 times by two different organizations. The National Sports Media Association has awarded him 27 times, including the recently announced 2019 award, while the Indiana Sportswriters and Sportscasters Association has named him their honoree four times. In June of 2018 at the NSMA Awards program, Fischer was named the first recipient of the Woody Durham Voice of College Sports Award.

Fischer was inducted into the Indiana Sportswriters and Sportscasters Association Hall of Fame in 2004. He was inducted into the Indiana Broadcasters Association Hall of Fame in October 2010. Fischer has won several awards for best play by play, and has been honored by Indiana University with the J.W. Bill Orwig Medal, that goes to non-alumni for distinguished service to the University. This past year IU presented Fischer with the Bicentennial Medal in recognition of distinguished and distinctive service in support of the mission of Indiana University. He was also named an Honorary "I" Man in 1991.

Fischer has broadcast over 2,000 Indiana University games that include 12 bowl games, five NCAA basketball Final Fours, including four NCAA Championship games, and two NIT Championship games.

From 1973-87, he worked for ABC Radio, Canada's CBC, and several other major market radio stations, including WIRE in Indianapolis, as their source for reports during the month of May coverage of the Indianapolis 500. During that 14-year period, he also served Indianapolis radio station WIRE and Network Indiana, a statewide news network, as their sports director.

As an independent contractor, Fischer served the Indianapolis Colts as their pre-season television anchor for 23 years from 1995-2017.

In addition, the City of Indianapolis, and the State of Indiana have each honored Fischer with a special "Recognition Day" for his service and abilities as a play-by-play broadcaster.

A native of Rochelle, Ill., Fischer has been in the radio business for 54 years with stops in Butte, Mont.; Ottawa, Ill.; Springfield, Ill.; and Terre Haute, Ind.

Fischer has four sons, 12 grandchildren and one great grandchild. He and his wife, Susy, reside in Greenwood, Ind.

**BUCK SUHR**

Buck Suhr is entering his 17th season as the color commentator and analyst for Indiana University football.

Suhr was a member of the Hoosier football program for 18 years as a running backs coach and administrator. He spent 12 seasons (1984-95)

as running backs coach under IU's all-time winningest coach, Bill Mallory.

After his stint as a coach, where he tutored All-America selections Anthony Thompson and Vaughn Dunbar, Suhr was named administrative assistant to the head coach and athletic director from 1996-2001.

As running backs coach, Suhr helped direct one of the nation's most productive rushing attacks. From 1984-95, the Hoosiers had three different 1,000-yard rushers who topped that mark on six separate occasions. In 1988, the IU offense rushed for a then-school record 2,963 yards.

During his tenure, Suhr coached Thompson, the 1989 Heisman Trophy runner-up, along with Dunbar and Alex Smith, the 1994 UPI National Freshman of the Year.

Suhr and his wife, Jane, are the parents of one son, Errek, and the deceased Jenny Suhr. Errek played in 74 games and earned four letters as a guard for the IU men's basketball program from 2004-07.

They have four grandchildren: Addy, Hayden, Taylor and Mack.

**JOE SMITH**

Joe Smith is in his 38th year with the IU Radio Network. He has handled pre-game, halftime, and post-game duties for Indiana football and men's basketball since 1983.

Smith, the sports director of WGCL-AM 1370 in Bloomington, is in his 52nd year of radio broadcasting in Bloomington. He began his broadcasting career in 1969 at WAJK Radio in Galesburg, Ill. From 1973-89, Smith worked on "RFD-4 Agri-Business Show" on WTTV-4 with the late Bob Cook.

In 1998, Smith was named Indiana Sportscaster of the Year; in April 2003, he was inducted into the Indiana Sportswriters/Sportscasters Hall of Fame; and in Aug. 2021, he was welcomed into the Monroe County Sports Hall of Fame. Smith handled the IU TV Warmup Shows from 1978-82 and hosted several IU Coaches Shows from 1983-96 and again from 2002-04.

He received the J.W. Bill Orwig Medal that goes to non-alumni for distinguished service to the University in June 2004.

In March 2020, Smith was given the IU Bicentennial Medal by President Michael A. McRobbie, awarded to organizations and individuals who, through their personal, professional, artistic or philanthropic efforts, have broadened the reach of Indiana University around the state, nation and world.

He has two children, both of whom are Indiana University graduates. Jeff, currently resides in Brownsburg, Ind., with his wife, Kristen, and their sons, Jayden, Kaleb and Logan. Joe's daughter, Jamie, and her husband, Eric, currently reside in Bloomington with their son, Ethan and two daughters, Emerson and Carolina.
